Clarification re: duplicates

Although two entry cards are displayed on this form, only one card per event should be sent to a Race Secretary. A second card should be retained by the racer for informational purposes only. **EXCEPTION:** a racer should submit multiple cards for multi- day events that have a separate fee for each day. The number of cards submitted should equal the number of race fees (and correspondingly checks written) listed on the race schedule. This facilitates reimbursement in case of withdrawal due to injury prior to the second event.
