Quotas for U16 & U14 Eastern Events

PARA has a quota of 11 athletes for the 2018 U14 Eastern Championships. This is an increase of one from last season.

U16 Quotas have not yet been approved.

Misc.

- NY State hosted a very successful U12 “Future Stars Festival” at Gore and will do so again next season.
- The “Eastern Website” at ussa.org/east contains a wealth of information specific to our region. The “Eastern Region Handbook” is available there and it contains most of the answers to the questions people call the Eastern Office to ask.
- USSA is continuing to build out Skills Quest and will roll out a fitness assessment tool at Congress.
- Rocky Mountain has added a Skills Quest component during race day.
- If you’re interested in training at Mittersill contact the Franconia Ski Club. Last season it was \$50/racer with a minimum of 10 racers.
