Managing and delivering
excellent championship events

We Got It Right

- The realignment of the PARA State Championship events by age group for this year was a big success.
- Special thanks to all the RA's for managing these events.

Affiliation with USSA Eastern

- An agreement has been completed between PARA and USSA in October 2014.
- **Eric Harlow, USSA** – His visibility, education and support was a step in the right direction.

Recommendations upon My Departure

- Increase the depth of course setters in our state.
- Improve communication between clubs' coaches and officials to resolve problems quickly and efficiently.
- Build and Expand PARA with USSA and Eric Harlow

I cannot express how much this position has meant to me. I am so grateful to have had the opportunity to coach, officiate, and – be a parent cheering for our kids – along side all of you.

All The Best,
Bill
