

PARA 2024 Coaches Chair Report

This season we managed the post season coaching assignments and budget with a committee. The committee was comprised of Bruce Newman, Dan Chayes, and Rudi Riet.

I would like to acknowledge Dan for his contributions to this committee, Dan stepped in when my regular work took up the majority of my time this season.

Thank you to all the coaches who made themselves available to go north with our athletes.

Items to be discussed:

- U14 Post Season options and budgeting for these events.
- Increase in the daily stipend to \$350.

Respectfully,

Bruce J. Newman
