8:30 Lifts open to the public

8:40 Entry for course inspection ends

8:50 Course inspection ends

9:05 First forerunner with the first racer shortly afterwards

Event Information

Run 2 - approximately 90 minutes after the completion of run 1. Please plan accordingly to be ready to inspect for the second run as racers have no privileges in the lift lines.

Awards Ceremony - approximately one hour after the completion of the second run.

The lifts are not opened to racers and public until 8:00 am. Racers and all other participants need to stay on the patio and keep off the snow in the base area; there may still be groomers in the base area until shortly before 8:00 am. In order to reach the race hill, exit the lift on the top to your right and follow Angel Drop to Homerun. Homerun is also visible from the main lift.

Discounted lift tickets (\$71.00 or \$67 for children 12 & under) will be sold at the designated ticket window for racers and their families from 7:15 am. List of registered racers will be at that window. You do not need to have your bib in hand to purchase discounted tickets.

Walk passes are required for all non-skiing spectators. Walk pass (looks like a lift ticket) is free but you will need to sign a release. Walk passes can be obtained at the race registration or a ticket window with a signed release form which is attached to this announcement and will be also available at the registration.

The racer, volunteer and walk release forms will be distributed before the race and only limited number of forms will be available at the registration. If possible, please fill out your form in advance to make the registration more efficient. All uphill walking traffic – please remain on the right-hand side of the trail as you ascend.

Official posting board (results, DQs etc.) will be located at the timing building (start). Times on the hand-written posting board at the finish area and on <https://livetiming.usskiandsnowboard.org/> are unofficial.

Absolutely no free skiing on the race hill – please respect the instructions of the race organizers and coaches during the course inspection to ensure good conditions for all racers throughout the race.

Confine skiing at race speeds to the race course - fast or reckless skiing outside the race course will result in loss of skiing privileges at Whitetail.

Please join us in thanking our sponsors, supporters, race volunteers and the Whitetail Resort
