- Schedule:** Lifts open at 8:00 am
1st Run Inspection – 8:15 am to 9:00 am – course closed @ 9:15 am
1st Run Start – 9:30 am

The morning will consist of two GS runs on the Exhibition run as a non-scored USSA GS. An estimated 10 minute break will occur for course maintenance. We will not reset the course. The second run will be reverse order within each age group. The best of the two runs will be used to seed athletes into brackets for the afternoon dual competition. Athletes who do not complete either run will be randomly seeded after those athletes completing only one run.

In the afternoon, athletes will compete head to head in GS runs from the NASTAR start in single elimination format based on the total differential time. Each pair of athletes will take one run against each other in each course per round. Timing will only occur at the finish with the first racer starting the clock when they cross the line and the second racer stopping the clock. Timing will be to .000. Most athletes will have at least four runs during the day with the champion in each age group taking up to 12 runs. For those of us who remember the old Pro Tour, the format will be the same, just no pro jumps.

Team Captain's Meeting: 7:45 am at the Competition Center (Exhibition Slope) Coaches please pick-up tickets at registration before the team captain's meeting.

Registration: 7:00 to 8:30 am (Lower Level of Main Lodge)

Awards: 1 hour after completion of race (location TBD)
Awards for 1st – 4th place, U10, U12, U14
